SOUTH TOWER, BUILT IN 1809, ON ORANGE STREET, NANTUCKET, MASSACHUSETTS

This famous tower of the Unitarian Church houses an old Portuguese bell which sounds the hour and tolls fifty-two strokes at seven in the morning, twelve noon and nine in the evening.

NATURAL Color Kard FROM KODACHROME

We saw this Church on our trip to Nantucket. Wish we had had more time there, as we found it was much more interesting than Hyannis, but we didn't plan right. Been to Sulair. Will was some better. Esther & Edie
